IN REPLYING PLEASE REFER TO THIS FILE NUMBER

June 4, 1914.

Mr. Luigi Marino,
1810 Seventh Street,
Scramento, California.

Dear Sir:

Receipt is acknowledged of your letter of recent date requesting information regarding your arrival in the United States.

Because of the number of years which have elapsed since the date of your arrival, and in view of the fact that no record of alien arrivals in the United States was maintained for naturalization purposes prior to June 29, 1906, it is suggested that you proceed with your naturalization, giving the facts as completely as possible. It is probable the court may hold the omission of the information to be immaterial.

It is believed that upon full explanation of the matter to the clerk of the court, with the presentation of this letter, he will accept you petition for naturalization.

Very truly yours,

Richd. K. Campbell

Commissioner of Naturalization.

Dear Sir:

Replying to your letter dated Jan. 5, 1916, relative to petition No. 703, James Whyte Lennox filed in your court on Sept. 13, 1914, I beg to state that the files of this office show that said petition was dismissed on Dec. 8, 1914, on the ground that "declaration is invalid by reason of absence from the United States subsequent to making."

It is not believed, therefore, that said declaration may be detached from said petition and used as a basis for filing a new petition. It is suggested that Mr. Lennox be advised to make a new declaration.
